GIN & TONIC

-
- Cotswold Dry 13

A London Dry with an aromatic twist, this gin is distilled with nine botanicals, juniper, coriander seed, angelica root, local lavender, bay leaf, lime and pink grapefruit zest, cardamom and black peppercorns. Gently paired with Fever Tree Aromatic Tonic.
-
- Foxhole 15
England
This gin features a rather intriguing base spirit, made from the grape marc produced by an English winery in Sussex. The botanicals include juniper, coriander, angelica seed, orris and liquorice root, bitter orange, lemon and grapefruit zest. Complemented with Double Dutch Tonic.
-
- Persie Herby & Aromatic 16
Scotland
This gin is distilled with juniper berries and fragrant herbs like bay leaves, rosemary and basil. A savoury gin with gentle spices, and a rich, olive oil mouthfeel. Complemented with 1724 Tonic.
-
- Tarquin's Dry Strawberry & Lime 14
England
This limited edition gin is distilled in the same fashion as Tarquin's Original Dry but with the addition of fresh lime zest, then infused with sweet strawberries. Paired with Merchant's Heart Tonic.
-
- VII Hills Italian Dry 13
Italy
Inspired by ancient Romans' culinary and cultural traditions, distilled with seven botanicals, including rosehip, pomegranate, chamomile, celery, sage and artichoke. Complemented with Lamb & Watt Basil Tonic.
-
- Whitley Neill Blood Orange 14
England
A blood orange-themed variation of the Whitley Neill Gin recipe. A refreshing and intense orange aroma, with hints of coriander and liquorice. Paired with London Essence Bitter Orange & Elderflower Tonic.
-
- Williams Chase Pink Grapefruit & Pomelo 16
England
A different G&T ever tried? Slow infused with 8 botanicals and distilled with grapefruit and pomelo peel. Complemented with Merchant's Heart Hibiscus Tonic.
