WELCOME TO THE GIN BAR

The Gin Bar at the Holborn Dining Room offers London's largest collection of gin, specialising in gin cocktails with exclusive tonic pairings. Savour unique gin cocktails reflecting the flavours and ingredients of each British season, as well as spirits, wines and craft beers. The gin menu has been designed around the 4 main flavour profiles of the gin wheel to help you find your new favourite serve. The menu is available upon request, please do not hesitate to ask a member of the team

This limited edition gin was created in proud collaboration with Southwestern Distillery, Cornwall's first distillery for over 100 years founded by Master Distiller, Tarquin Leadbetter, in 2012.

We wanted to make a solid, classic and juniper forward London Dry Gin, incorporating Cornwall's finest rock samphire, hand foraged from the clifftops of the Cornish coast by some of the Holborn Dining Room team.

An age-old traditional distilling technique is used; heating the copper pot stills with a direct naked flame and sealing the top of the stills with bread dough. Only the purest and the most flavoursome heart of the distillation makes it into this handcrafted Cornish gin.

Every bottle is individually filled, labelled, waxed, stamped, given batch tasting notes and signed - all by hand.

The tasting profile resulted in a great depth of flavour with vibrant citrus notes, fresh piney structure with a spicy finish. The rock samphire is well integrated, giving this gin an incredible balance on the palate. The fresh juniper comes through boldly, sustained by a subtle mineral note that enhances all the flavours.

Rosewood London is the only place to have access to this super premium spirit, unless you fancy a trip to Cornwall, where the generous team at the Southwestern distillery will happily assist you with a bottle (or more). Should you be a fan, please ask our team at The Gin Bar to assist you in purchasing a bottle for £54.

We recommend this gin best served as a Martini, representing a true and unique taste of the coastal notes or as a G&T paired with London Essence tonic water or with Fentimans herbal tonic, for the herbeaceous lover.

Juniper

GIN & TONIC

Holborn Dining Limited Edition by Tarquin's 15
 Cornwall, England

Smooth with citrus freshness and fragrant mineral notes from the rock samphire. This classically bold gin is a true celebration of our Cornish heritage. Paired with London Essence Tonic Water.

Tarquin's British Blackberry 15
 Cornwall, England

A lip-smacking variation on the Tarquin's Handcrafted Cornish gin recipe, with a focus on blackberries, helped with Cornish wild flower honey to impart a subtle mellow sweetness. Paired with Franklin & Sons Lemon Tonic Water.

Gabriel Boudier Saffron 16
 Dijon, France

Saffron gin is still made to a 19th century Indian colonial recipe that contains fresh botanicals such as juniper, coriander, lemon, orange peel, angelica seeds, iris, fennel, plus saffron which gives a delicate spicy character and a natural colour. Paired with London Essence Bitter Orange & Elderflower Tonic Water.

Sabatini 15
 Tuscany, Italy

A London Dry Gin with a truly Tuscan soul highlighted by juniper, coriander, iris, fennel, lavender, olive leaves, thyme, verbena and sage, all grown on the family property and neighbouring farms. Paired with Fentimans Tonic Water.

Ableforth's Bathtub 16
 Kent, England

Bathtub gin is made using a traditional method known as cold compounding. Botanicals such as juniper, coriander, cardamom, cassia, orange peel and clove are infused in top quality copper pot-still spirit. Paired with 1724 Tonic Water.

The Lakes 15
 Cumbria, England

A classic English gin with vibrant notes of juniper, cracked black pepper and orange peel. By steeping the botanicals overnight like loose-leaf tea, they interact freely with the warm spirit to encourage the essential oils to release more slowly, protecting their delicate nature. Paired with London Essence Pomelo & Pink Peppercorn Tonic Water.
