THE GIN BAR
HOLBORN
DINING ROOM

*Holborn Dining Room Limited Edition Gin
by Tarquin's*

This limited edition gin was created in proud collaboration with Southwestern Distillery, Cornwall's first distillery for over 100 years founded by Master Distiller, Tarquin Leadbetter, in 2012.

We wanted to make a solid, classic and juniper forward London Dry Gin, incorporating Cornwall's finest rock samphire, hand foraged from the clifftops of the Cornish coast by the Holborn Dining Room team.

An age-old traditional distilling technique is used; heating the copper pot stills with a direct naked flame and sealing the top of the stills with bread dough. Only the purest and the most flavoursome heart of the distillation makes it into this handcrafted Cornish gin.

Every bottle is individually filled, labelled, waxed, stamped, given batch tasting notes and signed - all by hand.

The tasting profile resulted in a great depth of flavour with vibrant citrus notes, fresh piney structure with a spicy finish. The rock samphire is well integrated, giving this gin an incredible balance on the palate. The fresh juniper comes through boldly, sustained by a subtle mineral note that enhances all the flavours.

Rosewood London is the only place to have access to this super premium spirit, unless you fancy a trip to Cornwall, where the generous team at the Southwestern distillery will happily assist you with a bottle (or more). Should you be a fan, please ask our team at The Gin Bar to assist you in purchasing a bottle for £54.

We recommend this gin best served as a Martini, representing a true and unique taste of the coastal notes or as a G&T paired with London Essence tonic water.

GIN & TONIC

Holborn Dining Limited Edition by Tarquin's 15 *Cornwall, England*

Smooth with citrus freshness and fragrant mineral notes from the rock samphire. This classically bold gin is a true celebration of our Cornish heritage.
Paired with London Essence Tonic Water.

Tarquin's British Blackberry 15 *Cornwall, England*

A lip-smacking variation on the Tarquin's Handcrafted Cornish gin recipe, with a focus on blackberries, helped with Cornish wild flower honey to impart a subtle mellow sweetness.
Paired with Franklin & Sons Sicilian Lemon Tonic Water.

Bombay Sunset 16 *Laverstoke Mill, England*

Combining the ten signature exotic Bombay Sapphire botanicals with an additional three: golden turmeric, Indian white cardamom, and Spanish mandarin to create a complex but beautifully balanced, vibrant gin.
Paired with Artisan Pink Citrus.

Bordeaux Distilling Co. Rivington Dry 16 *Bordeaux, France*

The first gin from Bordeaux Distilling Company, Rivington dry gin is made with juniper, coriander and citrus peels. The palate offers notes of pine needles, vibrant orange and lemon zest.
Paired with Fentimans Tonic Water.

Never Never Triple Juniper 16 *McLaren Vale, Australia*

Combining three different distillation processes, each uncovering the bright and earthy qualities of juniper. Including Australian pepper berry, angelica, cinnamon, lemon, lime, liquorice, orris and coriander to build out its fantastic flavour profile.
Paired with Fever Tree Aromatic Tonic Water.

The Lakes 15 *Cumbria, England*

A classic English gin with vibrant notes of juniper, cracked black pepper and orange peel. By steeping the botanicals overnight like loose-leaf tea, they interact freely with the warm spirit to encourage the essential oils to release more slowly, protecting their delicate nature.
Paired with Franklin & Sons Rhubarb & Hibiscus.
