

## DISTILLERY OF THE MONTH

*Distilled in Idaho from Regenerative Organic Certified wheat grown on the family-owned 1,000 Springs Mill Farm, Farmer's Gin is a true expression of place and process. Produced in small batches at the first USDA-certified organic distillery in the United States using water from the Snake River Aquifer, it delivers a clean, refined profile with notes of juniper, elderflower, lemongrass, coriander, rose, and angelica root.*
